

REFRONTOLO PASSITO

Rare and precious,
Refrontolo passito has
a strong sensory impact,
incredibly complex scents
of black berries jam,
herbs, sweet spices,
dried fruits, chocolate,
cardamom and
a hint of liquorice.
It has a balanced mouth
with infinite persistence.

The Refrontolo Passito was
the favourite of Mozart,
that called it
"Excellent Marzemino",
in his opera "Don Giovanni".

*Perfect with chocolate, fruit cakes, seasoned
cheeses or alone as a meditation wine.*
