

RABOSO

Grapes: Raboso

A native Piave grape par excellence, Raboso is a wine with a strong character and personality. In the cellar, careful and low-impact vinifications accompany Raboso in its natural evolutionary path, revealing its typical freshness and lively acidity.

It presents intense notes of cherry, raspberry and delicate floral hints. On the palate it shows a pleasant acidity and great complexity with a long and persistent finish.

Ideal with traditional Venetian dishes such as cured meats, pasta and beans, mixed grills and spicy cheeses.
