I MIGLIORI VINI ITALIANI

Luca Maroni

**93** POINTS

The Merlot and Cabernet Sauvignon grapes of this classic of the Piave area, that come from old vines cultivated in a clay soil, reach a natural balance of ripeness at harvest.

Our rich grapes guarantee a pleasant complexity to the structure of the wine, full body, smooth, with a ripe red fruit bouquet and a spicy after taste.

*Ideal with tagliatelle with Bolognese sauce, beef carpaccio (recipe invented in Venice), roast meat and salami.*
