

WINERY PROFILE

The De Stefani family originates in **Refrontolo**, a little village in Veneto Italy, as results in official documents of **1624**. On these hills Conegliano Valdobbiadene Unesco World heritage site, in **1866** the founder **Valeriano De Stefani** individualized a unique terroir to produce great wines.

His son **Valeriano, second generation**, inspired by his careful wife Angelina, began the tradition which the De Stefanis have always adhered: total devotion to quality with no compromise. **The third generation Tiziano**, after graduating in 1958 in oenology and viticulture in the most prestigious wine school of Italy in Conegliano, started producing wines in the Piave Valley, near **Venice**, close to the Adriatic sea and the Dolomite mountains. Today here in Fossalta di Piave, the headquarter and cellars of the winery are located.

Alessandro De Stefani, fourth generation, also graduated in oenology and viticulture in the same school and today, together with his wife Chiara, produces wines with the aim of **excellence**. The key principles that guide them are a very natural philosophy, old vines with a very high density and focus on the native grapes of their land, in order to make wines that can convey emotions even after decades from their creation.
