

# PINOT NERO

Grapes: Pinot Nero

Pinot Nero De Stefani expresses the noblesse of the grape type, the elegance and the subtle sapidity of the clayey, mineral-rich soils of the Piave valley where it is grown.

It has delicate cherry aromas and a spicy note of white pepper in the background. The wine has soft silky tannins and harmonious body, which provide long ageing potential.

*Ideal with pâté, beef tartare, grilled salmon and tuna, roasted poultry and seasoned cheeses.*
