NATUR ZERO

White Sparkling Alcohol Free Wine

I am NATUR ZERO White Sparkling, an alcohol-removed sparkling wine produced from Glera grape, that everyone can enjoy for any occasion.

Characterized by a fine and persistent perlage, I have a fruity bouquet with a pleasant hint of apple, exotic notes, light body and harmonious taste.

Where I'm produced!

Glera grapes comes from the Prosecco territory in Veneto, in the Treviso area, from a vineyard with the ideal structure for vine growing, with a high percentage of clay.

How I taste!

I have a fine and persistent perlage, light straw yellow colour, with greenish hues, fruity bouquet with a pleasant hint of apple, exotic notes, light body and harmonious taste.

How I'm made...

Pressing of the Glera grapes, chilling the must to 0°C and then having a single fermentation at 15°C. I am then gently heated to about 30°C **under vacuum**, in this way alcohol is removed preserving all my original and natural aromas.

Who Should Drink Me!

Who is driving, who is working, who is on a diet, who is practicing intense sports, who is a non-drinker, who has health issues, who can't for religious reasons, who is pregnant, who is not in the legal drinking age or simply who considers me delightful.

Match Me When...

Ideal as an aperitif, throughout the meal and in any occasion that requires a toast. Best to enjoy at 5°C.
